ROCKY MOUNTAIN BIGHORN SHEEP

In the past 6 years, 21 out of 22 rifle sheep hunters have filled their tags. The area is high success and you can hope for rams in the mid 160's. The area (see Alberta Wildlife map below) is located in Central Alberta, Canada, bordered by Jasper & Banff National Parks, with ideal sheep habitat throughout. The hunts are old fashioned horse pack-train complete with wall tents, wranglers and guides. **The facts are in the success. If you need a Rocky Mountain Bighorn, this is the outfit.**
