MEXICAN WHITETAIL SLAM

The S.C.I. has categorized **6 different whitetail species in Mexico....thus the Mexican Deer Slam.**

HUNT COUES DEER IN MEXICO

(Odocoileus virginianus couesi)

#1. The majestic Sierra Madre Mountains is on eastern Sonora State, with elevations up to 7500 feet, are covered with oak and mesquite mixed with all types of cactus and brush. This is the perfect habitat for an abundance of the popular **Coues Deer**, which is found only in southern Arizona and Sonora, México.

Arrival Location	Season	Hunt Days	Price	Combo Coues Deer and Mule Deer	Average Shooting Range	Others	Weather
Hermosillo, Sonora, Mexico	December thru 3rd week in March	5 nights, 4 days	\$5,000	\$16,500 7 nights, 6 days	200 yards	Driver, camp coordinator/translator, cook and camp staff	Expect between 40° F to 70° F

The hunt is done on 1X1 basis and can be on vehicle, horseback or walking. Lunch is at mid-day in the field. Hunting continues until sundown, then back to camp for cleanup and a nice dinner. The average shooting range is 200 yards; this is an attractive addition to the desert mule deer hunt.

Price Includes: room and board, transportation from Hermosillo to hunting areas and back to Hermosillo, one-on-one guide and field care of the trophy.

Price Excludes: Airfare, licenses, gratuities, firearm rental \$50 per day, ammunition, lodging and meals in case you overnight in town before and/or after the hunt, special food, cost of medications, immunizations, hospitalizations and services of doctors, charges for evacuation or rescue by ambulance, helicopter or airplane, and any other service or product that is not agreed or mentioned in this document.

Terms and Conditions: Non-refundable 50% deposit will confirm and secure reservation. Balance is to be paid 30 days prior to hunt. A passport is required to cross

the U.S./Mexican border. You must also read, understand and accept by signing the [Terms and Conditions](#), [Release of Liability](#) and the [Hunting Contract](#). Upon entry into the U.S. with a trophy, present to authorities your [Wildlife Declaration Form 3-177](#). Have address of your taxidermist readily available. All clients must comply with the U.S. Department of the Interior/Fish and Wildlife Services laws, requirements and conditions.

Clothing: Lightweight khaki or camo colored (two complete changes of clothes); down vest or jacket; raincoat/poncho; light gloves; hat, cotton socks and a pair of comfortable, light, walking shoes.

Equipment: 1 rifle caliber from .270 to .300, ammunition (as shown in your Mexican gun permit), safety glasses, sunglasses, binoculars, canteen, flashlight, knife, one day backpack (with and without frames), sleeping bag, camera and film or memory cards, batteries, one extra duffle bag and a roll of ductape (for capes and antlers).

According to experts there could be as many as 23 sub-species of the North American white-tailed Deer. The Safari Club International has categorized 6 different species in Mexico...thus the Mexican Deer Slam. You can take 5 of these different species of Deer with this outfitter. The Carmen Mountain whitetail (*Odocoileus virginianus Carminis*); the species found near the southern border with Texas in the state of Nuevo Leon (*Odocoileus virginianus Mexicanus Texanus*), the Whitetail found near the Central Plateau of Mexican Plateau (*Odocoileus virginianus Miquihuanensis*), the species near Veracruz (*Odocoileus Virginianus veracruis*) Whitetail, and the Mexican Gulf Coast (*Odocoileus virginianus Thomasi*) Whitetail.

Whitetails in the Sierra del Carmen in northern Coahuila were first described in 1940 as blend different from Texas whitetails because they were smaller and had antlers with shorter tines. These smaller whitetails also live in many other isolated mountain ranges near the international boundary. As you travel eastward, you'll see Carmen Mountains whitetail at higher elevations, but larger deer resembling the Texas whitetail in the lower surrounding desert scrub. Carmen Mountain whitetail occur in the Serranias del Burro, Sierra del Carmen, Sierra Encantada, Hechiceros. Sierra Santa Rosa, and Sierra Santa Fe del Pino in northern Coahuila and Chihuahua.
